Project Oasis Mission Statement

The mission of Project Oasis is to develop teenagers in Montclair between the ages of 9 - 18 in the areas of education, recreation and cultural awareness. Project Oasis seeks to bridge the gap between township adults, including senior citizens, and our teenage population, while also striving to develop a meaningful co-existence between our teens and the Montclair Police Department. By encouraging our young people to become all that they can be, and providing them with positive alternatives, the quality of life in the township will change.

About Project Oasis

Project Oasis Summer Program is a free six-week summer program for youth in the Montclair area (including Bloomfield and Belleville) that provides a safe, positive outlet during the summer. (The only cost is \$10 for a program t-shirt.)

- Senior Division: 13 - 18 year olds
